

Re Leaving Cert Calculated Grades Results

1st September 2020

Dear Parent/Guardian,

Minister for Education, Norma Foley TD, has today made an important announcement regarding the national standardisation process which forms part of the Calculated Grades model being provided for Leaving Certificate students this year.

Students may find the updated information on www.gov.ie/leavingcertificate useful to explain the changes. It also includes information regarding supports and guidance available for students when the Calculated Grades are issued.

The Calculated Grades Executive Office (CGEO) will make direct contact with students in the coming days with information about the issue of results and next steps in the process.

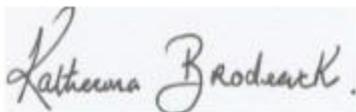

Further details on the 2020 Leaving Certificate (Calculated Grades) results and supports for students receiving results will also be issued to schools by the CGEO in the coming days.

I will keep you updated as information is made available to schools.

We will continue to support your daughter following the issuing of results on Monday September 7th. Should your daughter wish to arrange a meeting with Ms Kennelly (Guidance) please forward an email request *FAO: Ms Kennelly* to info@presentationcastleisland.ie

We wish all our Leaving Certificate 2020 students every success on Monday next.

Sincerely,

Katherine Brodeur.
